Learning & Development Calendar

Who We Are

FITC was established in 1981 as a Limited by Guarantee not-for-profit professional services organisation, based on the Company's Act of 1968.

It was created in response to the recommendations of the Pius Okigbo Committee, which was set up by the Federal Government of Nigeria in 1976, to review the Nigerian financial system.

FITC's Institutional Members are members of the Nigerian Banker's Committee, comprises the Central Bank of Nigeria, the Nigeria Deposit Insurance Corporation and all licensed banks in Nigeria.

Our Corporate Philosophy

Our Mission

"To go beyond the ordinary, to deliver value by equipping individuals and organizations with innovative knowledge solutions"

Our Vision

"To be a world-class, innovation-led and technology-driven knowledge organization"

Our Core Values

Service, Excellence, Agility, Teamwork and Innovation (SEATI)

FITC is a world-class, innovation-led professional services firm providing cutting edge knowledge-based solutions to clients within and outside Nigeria.

Over the years, FITC has demonstrated the delivery of world-class services through its core offerings - Learning and Development, Advisory, and Insight & Policy Advocacy, using a large pool of international and local professionals.

We provide business support to our numerous clients within the public and private sectors, and most notably within the financial services sectors in Nigeria and Sub-Saharan Africa.

Corporate Governance & Special Programmes

FITC Board Leadership Programme

The Board Leadership Programme is FITC's flagship global programme for board members & directors in both finance and non-finance organisations, in Africa. It is an innovative and strategic capacity development programme, poised to provide cutting-edge knowledge solutions and core skills required for top-level decision making and leadership, leveraging high-valued technological tools and best-in-class human resources, to sharpen board leadership capacities and equip directors with the requisite skills, knowledge and capabilities, imperative for efficient oversight and performance, and to ensure organizational success and sustainable value creation.

Our Faculty Heights and Programme Shape

FITC draws its faculty from highly experienced subject Matter Experts, both locally and internationally, who provide in-depth analysis and insights on subject areas, as well as practical experiences and huge knowledge garnered over years of working and practices. We partner with the industry experts to deliver premium virtual and in-person experiential learning programmes, aimed at deepening knowledge and skills enhancements to individual leadership and corporate institutions within finance and non-finance sectors.

Over the years, FITC has grown a massive database of subject matter experts across various sectors and field of learning, that have consistently delivered highly effective training to achieve employees' high performance. With over forty (40) years of cognate experiences in delivering learning solutions, FITC has best-in-class global Subject Matter Experts (SMEs)/Faculty drawn from most successful, experienced and innovative brands from all the continents of the world.

FITC Executive Education Programme

The FITC's **Executive Education Programme** is an innovative programme centered at developing leaders and builders of enterprises who create value for their stakeholders and society at large. It is a global programme aimed at meeting the professional development goals of the entire leadership team from high potential managers primed for career advancement to seasoned C-suite executives seeking new insight into today's complex challenges. Executive Education at FITC is a very comprehensive, drawing on experiences of globalized faculty and participants. Our methodology ensures that participants gain insights and knowledge through comprehensive case-studies and intensive group-work.

Our Faculty Heights and Programme Shape

FITC draws its faculty from highly experienced subject Matter Experts, both locally and internationally, who provide in-depth analysis and insights on subject areas, as well as practical experiences and huge knowledge garnered over years of working and practices. As an organisation that goes beyond the ordinary in providing innovative learning solutions, FITC Executive Education Programme always presents a unique research-based calendar of activities and world-class faculty you will only find with FITC. And now in 2022 events, the Programme offerings will be both virtual and in-person.

In addition to the structured open enrolment programmes, FITC Executive Education also offers fully customized learning solutions that are designed to achieve the results organizational leaders need right now. Each program combines proven business fundamentals with new tools and strategies to give you knowledge you can use immediately—for the results you need right now.

2024 Strategic Partnership Programmes

Objective

Through Strategic Partnerships, we create links and build networks that allows us to provide innovative solutions for our clients. Our Strategic Partnerships portfolio adopts a proactive and innovative approach to cross-industry collaboration between FITC and its partners by co-creating intervention programmes that are centred on customer experience and responsive to customers' needs.

We also partner with Organisations across various industry sectors to deliver customised learning intervention programmes for senior/c-suite executives.
