Our Corporate Philosophy

Our Mission

“To go beyond the ordinary, to deliver value by equipping individuals and organizations with innovative knowledge solutions”

Our Vision

“To be a world-class, innovation-led and technology-driven knowledge organization”

Our Core Values

Service, Excellence, Agility, Teamwork and Innovation (SEATI)

Who We Are

FITC was established in 1981 as a Limited by Guarantee not-for-profit professional services organisation, based on the Company's Act of 1968.

It was created in response to the recommendations of the Pius Okigbo Committee, which was set up by the Federal Government of Nigeria in 1976, to review the Nigerian financial system.

FITC's Institutional Members are members of the Nigerian Banker's Committee, comprises the Central Bank of Nigeria, the Nigeria Deposit Insurance Corporation and all licensed banks in Nigeria.

FITC Learning Solutions

FITC Learning provides world-class knowledge-based interventions to the financial services sector and other sectors of the economy. We have over 40 years of experience in designing and delivering outcome-based interventions to discerning clients, recording over 75,000 participants on all programmes from the inception to date.

Through our innovation mind set, robust market insight and a world-class approach to programme design thinking, we have redesigned all our learning solutions by infusing programme curriculum and content with more relevant contents that address the future of work and the future need of businesses.

Our re-refined programmes are designed to equip the workforce to cope better with new realities, demands and expectations of their organization. To deliver borderless learning with enhanced knowledge content, FITC has re-refined its Learning Solution, by offering Digital Learning, Onsite Learning, Tailored Learning Solutions, Board Leadership Programmes, Executive Education Programmes and Global Learning and Certification programmes.

Why choose FITC?

- **Cost- Effectiveness:** Our tailored learning solution offer reduced unit cost per participant.
- **Flexibility:** Delivered based on client's preferred platforms, schedule and needs assessment
- **Relevance:** Addresses identified competencies gap and burning issues from Training Need Analysis (TNA).
- **Team Bonding:** We proffer platform for collaborative learning among coworkers.

Global Learning

As a global provider of learning solutions, FITC Global Learning programmes are designed and delivered in partnership with global institutions to upskill professionals and senior management with requisite knowledge required to progress in their career path and thrive in their organisations. FITC Global learning has on board world-class subject matter experts to facilitate its array of training programmes.

The FITC Global programmes are offered in the most prime locations in the world, chosen to ensure easy accessibility and tourism experience for the participants.

Our venues are sited in the capital city or major city of interest in the region. Each of the venues we use is chosen as a distinct place of interest, with excellent service experience to make your time with us even more enjoyable.

Our global learning programmes are structured as work-based learning programme to address real-life work skills gaps to gain technical skills that impart on the job.

Field Visits & Experiential Learning:

To complement classroom training on our global learning programmes, FITC organises field visits and engagement sessions that usually provide hands-on exposure, practical insights, and application of the course focus area in real-world settings.

Tailored Learning

FITC Learning designs customised learning solutions for both financial and non-financial organisations in Nigeria and sub-Saharan Africa. The tailored learning courses are designed to address individual organisations' learning ambitions, goals, and objectives by providing tailored and contextualised learning programmes. FITC Tailored Learning Solutions (FITC TLS) provides flexible and personalised learning solution across industries and business sectors.

Our strength lies in working with our clients to identify their needs and define their requirements and provide tailored blended innovative solutions to address the learning needs. Also, our tailored learning solution provides flexibility on the training date and location to suit your preference. With the flexibility of tailored learning programmes, there is enough room to accommodate special needs such as when and where you want to be trained.
